

Remarks:

This amendment is submitted in an earnest effort to advance this case to issue without delay. The examiner has indicated that the case contains allowable subject matter.

Entry of this amendment after final action is in order because it *prima facie* places the case in condition for allowance.

Rejected claims 32 to 35 have been canceled.

The subject matter of allowable claim 31 has been incorporated in rejected independent claim 29, and claim 31 has been canceled. This places claims 29 and 30 in allowable form.

Thus all the claims in the case are in allowable condition. Notice to that effect is earnestly solicited.

If only minor problems that could be corrected by means of a telephone conference stand in the way of allowance of this

case, the examiner is invited to call the undersigned to make the necessary corrections.

Respectfully submitted,
The Firm of Karl F. Ross P.C.
